Stylish Pub in Central Queenstown

The Ballarat Trading Co. is a sophisticated gastro pub in the heart of Queenstown, less than two years old and one of the town's most popular meeting places.

There are several different areas to the Ballarat, making it an ideal destination for drinks at the bar or in the courtyard or dinner in our intimate booth area.

Interior decor features local schist stone, recycled timber, leather banquettes and open fires.

The Ballarat is a great venue to watch live sports on our large plasma screens and our sunny outdoor tables are popular for lunch, offering lake and mountain views.
