About Remarkable Golf Tours

Remarkable Golf Tours offers a full range of services designed to save time and money for visiting golfers, removing the stress of long-distance planning and allowing them to focus on the game itself.

As a locally-owned and operated company, we have extensive knowledge of the Southern Lakes region and its golf courses, with inside knowledge on which courses are in the best condition, the best for the weather conditions and where the putts break (sometimes).

Whether your group needs transport, hosting, club hire, lessons or just tee time bookings, Remarkable Golf Tours will put it together far more efficiently and economically than if you were to book individual components directly.

Transport: golf, transfers and sightseeing

Our fleet of comfortable, modern vehicles includes 12-seater vans and 21-seater Coasters. There is plenty of room for clubs and luggage and an on-board DVD provides advance viewing of the upcoming course. For larger groups of up to 80 we charter luxury Ritchies coaches.

Your groups needn't be golfers to take advantage of our efficient, friendly transport service. We are also available for ski transfers, airport greets and wine tours.

Equipment

We have full sets of Taylormade clubs available for hire, competitively priced at \$50 per set, and our clients are provided with quality balls by Callaway, branded with the Remarkable Golf Tours logo. Our golf shop also stocks a range of attire and equipment available for purchase.

Day packages

We offer a variety of 9 and 18 hole packages that include tee bookings, green fees, transfers and club hire, priced from \$129 pp. Optional extras include gourmet lunches, shoe hire, caddies and carts. The full list of package prices is available at www.remarkablegolftours.co.nz/travel_trade.php

Tour Packages

Our multi-day package tours are designed to include the best possible combination of golf, accommodation and socializing and can be customized to suit each group's budget, level and schedule. Our popular two-course package is \$795 pp and includes three nights' 5-star accommodation, green fees, airport transfers and transport to the courses.

Rates are valid to 30 March 2012. We don't add mark-ups or management fees and we are
