Historic Ambience

Tatler is an iconic part of Queenstown's heritage, situated in an historic building in the heart of Queenstown. Tatler's cosy wooden interior features many original decor items, including the working open fireplace in the upstairs private Spectator Room.

Tatler's chef brings seasonal ingredients and regional specialties together in Tatler Menu Magazine featuring lunch and dinner menus, wine lists, local stories and Zodiac cocktail section.

In addition to Tatler's a la carte menu, our chef has prepared a comprehensive range of canape, substantial finger food, buffet, plated and degustation menus.

Private Functions

We welcome exclusive bookings for dining or cocktails and offer two options: downstairs in the main restaurant looking out at The Mall or upstairs in the Spectator Room with open fire, private bathroom, dedicated bar and balcony with lake views.

Event managers making exclusive bookings for groups may like to use the Spectator Room for drinks and canapes before dining downstairs.

Meetings and Conferences

We offer day delegate packages with or without catering. Flat screen televisions, a data projector, satellite television and wireless internet are available and we can supply additional conference items on request.

We can accommodate 28 theatre style, 14 class room style, 14 U-style and 18 Boardroom style in the Spectator Room.
